MUTOH PRESENTS www.mutoh.eu IN SPANISH

Oostende, Belgium - Mutoh Europe N.V., manufacturer of wide-format inkjet printers and sign-cutting plotters, today announced release of its website www.mutoh.eu in Spanish.

The Spanish section of www.mutoh.eu will assist Spanish native speakers to find the latest product information in their mother tongue about Mutoh Europe's large-format printers and cutting plotters.

Offering a straightforward navigation, www.mutoh.eu is quick to load, easy to understand and contains images and complete information on application possibilities with Mutoh's wide-format printer and cutter portfolio.

The home page readily shows the different Mutoh product families: sign cutters, large-format printers, CAD printers, sublimation and digital textile printers. There is also a page dedicated to Mutoh's i² Intelligent Interweaving technology and Mutoh's Print & Cut solution.

A useful panel on the left side is consistent throughout the site and contains links to a product leaflet, a user guide, unit configuration details & details on supplies and options.

To visit the Spanish section on our website, click here.

About Mutoh Europe NV.

Mutoh Europe nv, Belgium, is a business unit of Mutoh Holdings Co. Ltd., Japan. Founded in 1991, Mutoh Europe's activities encompass development, manufacturing and distribution of CAD/CAS hardware (professional sign-cutting plotters and large-format full-colour piezo printers for CAD, commercial inkjet printing and sign-making applications). Employing 280 people, the company markets Mutoh products all over Europe, the Middle East and Africa through an extensive network of authorised resellers.
